

# DASA 2021 Global Paddle Challenge

**Missing your paddling crew? Looking for a way to stay involved in paddling?**

We all know we are missing our dragon boat community. Usually by now our boats are on the water, and practices are underway. This year you can get your paddling fix in a new way!

Consider taking part in the **Fairway Gorge Paddling Club (Victoria) Paddle Challenge**. Join DASA members and paddlers from clubs across Canada to virtually “paddle” around the world at the 49<sup>th</sup> parallel.

Your entry donation can help COVID relief and DASA. Net proceeds from the paddle challenge are split between the World Health Organization Covid Relief Fund and participating clubs, including DASA.
